

European Grapevine Catalogue: Towards a Comprehensive List

T. Lacombe, L. Audeguin, M. Boselli, B. Bucchetti, F. Cabello, M. Crespan, C. D'Onofrio, J. Eiras Dias, S. Ercisli, M. Gardiman, MS. Grando, S. Imazio, O. Jandurova, A. Jung, E. Kiss, P. Kozma, E. Maul, D. Maghradze, C. Martinez, G. Muñoz, J-K. Pátková, I. Pejic, E. Peterlunger, D. Pitsoli, D. Preiner, S. Raimondi, F. Regner, G. Savin, S. Savvides, A. Schneider, J-L. Spring, A. Szoke, A. Veres, J-M. Boursiquot, R. Bacilieri and P. This

Annex 3 A : Official national catalogues of grape varieties for Member States of the European Union

Legend : before the arrows, name of the variety as registered in the country . After the arrows, common prime name of the variety according to VIVC database when referenced, # identification number of the variety, species of the variety, sex (H = hermaphrodite, F = female, M = male), colour of berry skin (B = yellow-green, N = blue-black, Rg = red, Rs = rose, G = grey).
